

## About Me

I thrive in fastpaced environments where I can use my creativity and energy to make a real impact. I am seeking an internship and a fulltime job at a place where I can continue to learn and grow my skillset

## Education

### Vasireddy Venkatadri Institute of Technology (VVIT) Guntur

2020 - Present

B.Tech-Computer Science

### NRI Junior College

2018 - 2020

Other Qualification-12th

### KKR Gowtham School

2017 - 2018

Other Qualification-10th

## Skills

Python

MySQL

React.js

CSS

MongoDB

Data Structures

Java

HTML

C

Tailwind CSS

C++

## Certifications

.net - epam

Python - Google

## Experience

### Immensphere-Campus ambassador

2023 - 2023

I did 2 months as a campus ambassador for that company. Ive promoted the courses offered by the company. And made nearly 500 students take a free trial.

### ACM-VVIT-Event Coordinator

2021 - 2022

As an ACM member I successfully coordinated multiple events in college that attracted a large number of students resulting in high attendance rates for all the events I organized.

## Projects

### Gintrest

This is a fullstack application like Pinterest. Ive used React.js and Tailwind CSS to build the frontend part. And sanity for building the backend part

### Portfolio

Showcasing my self.

## Achievements

I excelled in a coding contest held by ACM and ranked top in my college.

I achieved a significant milestone by qualifying for the second round of the prestigious Turing Cup, gaining valuable experience despite not winning. Both experiences showcase my skills and determination
